

## How Can Each of Us Be Involved?

### **Pray**

The scriptures teach us that ultimately giving financially to God's work is an act of worship. Begin by praying that God would enable you to give with a grateful and generous heart in response to his goodness to you.

### **Plan**

Take some time to carefully consider what you could pledge to the "Building for the Future – The next step forward" Capital Campaign (over and above your normal giving to the church).

### **Pledge**

After carefully praying and planning, please complete the enclosed pledge card with the amount that you believe God is leading you to give. You can either drop this card in the morning offering or mail it to the church office.

## **A Word from Pastor Troy...**

This is an exciting time at Lakeshore! We have been experiencing growth, and maybe some growing pains too! By joining in this next phase of expansion, you are investing in eternity. Your contribution is an act of faith, believing that great things are continuing to happen here, lives are being changed, and the Lord is glorified in and through a church committed to reaching out to our community! Thank you so much for prayerfully considering how you can be part of the next step forward at Lakeshore Community Church!

The next step forward...

NOW TO HIM WHO IS ABLE TO DO IMMEASURABLY MORE  
THAN ALL WE ASK OR IMAGINE, ACCORDING TO HIS POWER  
THAT IS AT WORK WITHIN US, TO HIM BE GLORY IN THE  
CHURCH AND IN CHRIST JESUS THROUGHOUT ALL  
GENERATIONS, FOR EVER AND EVER! AMEN.

Ephesians 3:20

**LAKESHORE**  
COMMUNITY CHURCH

## Lakeshore through the years...

---

### **October 1999**

Lakeshore Community Church opened its doors under the leadership of Pastor Dan Helps in the gymnasium of Bright's Grove Public School.

### **Summer 2001**

We purchased 18+ acres of property on Old Lakeshore Road. The property was serviced and a 5.8-acre portion was set aside as the possible future home of Lakeshore Community Church.

### **Summer 2003**

Lakeshore Community Church purchased a building at 2695 Hamilton Road, used for offices, meetings and outreach until it was sold in 2011.

### **April 2003 – May 2010**

Our Future Development Committee researched building designs and alternative building sites in Bright's Grove.

### **May, 2010 to December, 2011**

Construction of the existing church building.

### **December 24, 2011**

First service in our existing building.

### **January, 2012 – December, 2016**

Lakeshore Community Church experienced steady growth in numbers.

### **January, 2017 - Present**

Lakeshore Community Church began a two-service format on Sunday mornings. A building committee is put in place to pursue a building expansion plan that will facilitate current and future church growth.

The next step forward...

## Key Numbers

---

- Projected cost of building expansion will be \$3.4 million dollars
- Existing mortgage as of October, 2019 is approximately \$275,000
- Projected mortgage after campaign ends will be approximately \$1.5 million dollars to be steadily paid off in future years

## Campaign Goals

---

- Capital campaign goal is to raise \$2.3 million dollars over 3 years
- Collect all pledge sheets as soon as possible
- Begin construction by Spring, 2021 depending on campaign progress
- Participation from everyone based on equal sacrifice (not equal giving)
